▼ — 03 - How to be/work as a *Creative* —

Hands-on Practice:

Write down your goals with this course.

☐ Done.

“In an AI-dominated world, ***we need to work hard to stand out***”

- As a creator, you need to be yourself, and learn to “infuse” your personality into the things you make, so that your audience can connect with you;

“Tiny tweaks can make all the difference”
